The speed trailer has allowed the department to monitor and record speeding vehicles at locations where we have received complaints from the public without sacrificing manpower. Officers can remain on patrol and investigate criminal complaints and calls for service rather than being tasked with sitting at a location and observing traffic flows.	
While supplies in the form of 5 17" LCD monitors and 6 Wyse Thin Clients were purchased just prior to the end of the quarter, the computers had not been received by staff at the end of the quarter.	
While three Dodge Charger police vehicles were purchased this quarter, the purchase was late in the quarter and the cars were not put into use prior to the end of December.
