In "Subsidized" units, the tenant pays 30% of adjusted income for rent. Adjusted income is gross income minus regulated deductions like medical/child care costs. In "Low Rent" units, federal programs require the Owner/Landlord to keep rents affordable for low-income households. These rents are less than the average rent for conventional housing units in the area.

Affordable Rental Housing Options in York County

This is a list of affordable rental housing options in York County. It is not intended to include all options. It may include housing for the disabled. It is also divided by the area or municipality the property is located in.
