

# STATE TRANSPORTATION COMMISSION

Summary of Public Participation

---

Public Hearing Testimony for the  
2011 Twelve Year Program

Revised December 28, 2009

## Sample Report and Format Instructions

This list reflects project requests or comments regarding the 2011 Twelve Year Program submitted at public hearings and through other written and electronic submissions to the State Transportation Commission during the fall of 2009. This list is sorted alphabetically by Planning Organization.

Below is a sample of the State Transportation Commission Public Hearing Testimony list.

	<u>Requested Action</u>	<u>Presented</u>	<u>Project ID</u>	<u>PE</u>	<u>FD</u>	<u>UTL</u>	<u>ROW</u>	<u>CON</u>	<u>Total Program \$000</u>	<u>Total Estimated \$000</u>
<b><u>DVRPC MPO</u></b>										
<b><u>Chester</u></b>										
<b><u>Ms. Judy L. DiFilippo, Chairman Chester County Planning Commission</u></b>										
French Creek Parkway	Support	✓	57659	1	1	■	2	2	\$23,850	\$45,300

Stated in the upper left corner of every page is the name of the Planning Partner.

The County for which the testimony pertains is located along the left side of the page.

The next line in the body of the report contains the name and organization of the testifier.

After each testifier are a specific project(s) requests or comments. Each project is listed with six pieces of information placed in separate columns on the report. These are:

**REQUESTED ACTION** – Is the action that the testifier would like to see happen to the project regarding its status in the Twelve Year Program. General categories of action are added, retain, advance, oppose, delete, and support.

**PRESENTED** - If the Project was presented at a Scheduled Public Hearing a check ✓ is printed.

**PROJECT ID** - Is a unique number given to a project list in the currently approved Twelve Year Program and the applicable project inventory system.

**CURRENT TYP PERIOD/ PE, FD, UTL, ROW, CON** – Columns representing the following: PE= Preliminary Engineering, FD= Final Design, UTL= Utilities, ROW= Right-of-Way, CON= Construction phases of the project displayed in which period 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> four years of the currently approved Twelve Year Program the phase is scheduled (if applicable).

**TOTAL PROGRAM \$(000)** -The total cost in thousands of the project in the current approved Twelve Year Program.

**TOTAL ESTIMATED \$(000)** -The total estimated cost in thousands of the project as provided by the Testifier or from PennDOT’s Multi-Modal Project Management System
