

YORK COUNTY OPEN SPACE AND LAND PRESERVATION GRANT PROGRAM

Municipalities and charitable non-profit organizations with 501 (c) status may apply for funds to acquire land for natural resource protection or parkland. Funding is also available to York County municipalities to conduct planning studies and to develop portions of comprehensive plans and ordinances to address the County Comprehensive Plan's open space, land protection, sensitive natural features, and agricultural protection related goals and objectives.

The Grant Program is available at www.yorkopenspace.org. A link to the program application can also be found on that site. Applications are due by 9/30/2020.

The York County Open Space and Land Preservation Program is dedicated to helping communities and non-profit organizations around the County to preserve and protect open space to be enjoyed by generations to come.
