

York MPO Obligation Report 2021
Annual Listing of Federally Obligated Projects
 October 1, 2020 to September 30, 2021

Breakdown of Projects by Phase

The following lists all federally funded transportation projects in the YAMPO region spent in federal fiscal year 2021. During the FFY 2021, the total federal funding obligated to projects was \$11,279,923, while a total of \$600,381 was de-obligated from projects that have been completed and projects that no longer had programmed funding. The chart and graph below identify the phase from which all federal funds were obligated and de-obligated in FFY 2021. A more detailed report of individual project listings, including project descriptions continues on the following pages.

| Phase | Obligated | De-Obligated |
|-------------------------|----------------------|-------------------|
| Construction | \$ 5,052,190 | \$221,408 |
| Final Design | \$ 1,510,104 | \$278,137 |
| Preliminary Engineering | \$ 4,054,589 | \$ 100,836 |
| Right of Way | \$ - | \$ - |
| Study | \$ - | \$ - |
| Utility | \$ 663,040 | \$ - |
| Total | \$ 11,279,923 | \$ 600,381 |

List of Obligations from 10/1/2020 to 9/30/2021

Project Descriptions

Sorted by MPMS

| MPMS | STATE ROUTE | PROJECT TITLE | PROJECT DESCRIPTION |
|-------|-------------|---------------------------|--|
| 20652 | 2005 | Camp Betty Washington | This project consists of roadway widening, overlay and safety improvements on State Route 2005 (Camp Betty Washington Road) from SR 2002 (Springwood Road) to approximately 1500' south of SR 0124 in Springettsbury and York Townships, York County. Other proposed improvements along SR 2005 include a bridge replacement over an unnamed tributary of Mill Creek (BR 37694), potential bridge replacement over Mill Creek (BRKEY 37693), addition of an unsignalized northbound left turn lane on SR 2005 at Chestnut Hill Road, drainage, guide rail, signing and pavement marking upgrades. Additional safety improvements under evaluation along the corridor may include laying back slopes and/or trimming trees to improve sight distance, minor curve realignment and roadway slope corrections, and removal of rock outcrops or other hazardous features along key locations along the corridor. |
| 21144 | 7205 | Baker Road Bridge | This project consists of the bridge replacement on Baker Road over Little Conewago Creek in Dover Township, York County. |
| 78846 | 177 | SR 177 Over Beaver Creek | This project consists of the bridge rehabilitation on SR 177 over Beaver Creek and Pinchot Lake in Warrington Township, York County. |
| 78888 | 1019 | Wago Road Bridge | This project consists of the bridge rehabilitation on State Route 1019 (Wago Road) over a Diversion Channel in East Manchester and Newberry Townships, York County. |
| 78888 | 1019 | Wago Road Bridge | This project consists of the bridge rehabilitation on State Route 1019 (Wago Road) over a Diversion Channel in East Manchester and Newberry Townships, York County. |
| 81070 | 4014 | Harmony Grove Rd Br PM | This project consists of the rehabilitation/replacement on SR 4014 (Harmony Grove Road) over Conewago Creek in Dover and Warrington Townships, York County. |
| 83424 | 462 | Codorus Creek Trib Br. PM | Bridge Preservation on PA 462 (West Market Street) over tributary to Codorus Creek in West Manchester Township, York County. |
| 86887 | 3054 | George St Improvements | This project will add an additional left turn lane on S. George St. (SR 3036) northbound to go westbound on Country Club Rd. (SR 3054), and a corresponding receiving lane on Country Club Road. It will also add an additional westbound lane through the intersection on Country Club Rd. /Rathton Rd. The project will also retime the signal at this intersection. This project is located in Spring Garden Township, York County. |

| MPMS | STATE ROUTE | PROJECT TITLE | PROJECT DESCRIPTION |
|--------|-------------|--------------------------|--|
| 86887 | 3054 | George St Improvements | <p>This project will add an additional left turn lane on S. George St. (SR 3036) northbound to go westbound on Country Club Rd. (SR 3054), and a corresponding receiving lane on Country Club Road. It will also add an additional westbound lane through the intersection on Country Club Rd. /Rathton Rd. The project will also retime the signal at this intersection.</p> <p>This project is located in Spring Garden Township, York County.</p> |
| 88953 | 7410 | Valley St CO#114 Replace | Replace bridge on Valley Street over the South Branch of Codorus Creek in Glen Rock in York County. |
| 88953 | 7410 | Valley St CO#114 Replace | Replace bridge on Valley Street over the South Branch of Codorus Creek in Glen Rock in York County. |
| 88961 | 7230 | Hull Dr Bridge CO#226 | This project consists of the bridge rehabilitation/replacement on Hull Drive over Bermudian Creek in Washington Township, York County. |
| 88961 | 7230 | Hull Dr Bridge CO#226 | This project consists of the bridge rehabilitation/replacement on Hull Drive over Bermudian Creek in Washington Township, York County. |
| 89917 | 83 | I-83 Exit 4 | This project will consists of interchange improvements at the Interstate 83 Exit 4 interchange with PA 851 (Forrest Avenue) Hopewell and Shrewsbury Township and Shrewsbury Borough, York County. |
| 89917 | 83 | I-83 Exit 4 | This project will consists of interchange improvements at the Interstate 83 Exit 4 interchange with PA 851 (Forrest Avenue) Hopewell and Shrewsbury Township and Shrewsbury Borough, York County. |
| 91036 | 2079 | Red Lion Avenue Bridge | This project consists of a bridge replacement on State Route 2079 (Red Lion Avenue) over Muddy Creek North Branch in Felton Borough, York County. |
| 91036 | 2079 | Red Lion Avenue Bridge | This project consists of a bridge replacement on State Route 2079 (Red Lion Avenue) over Muddy Creek North Branch in Felton Borough, York County. |
| 94950 | 15 | US 15 Resurfacing - York | Resurface US Route 15 from Golf Course Road/Range End Road to York/Adams County Line in Franklin and Carroll Townships, York County. |
| 100136 | 3070 | Black Rock Road Bridge | This project consists of a bridge replacement on State Route 3070 (Black Rock Road) over Tributary of West Branch Codorus Creek in West Manheim Township, York County. |
| 100146 | 4045 | Campground Road Bridge | This project may consist of a bridge repair/replacement on State Route 4045 (Campground Road) over Dogwood Run in Carroll Township, York County. |

| MPMS | STATE ROUTE | PROJECT TITLE | PROJECT DESCRIPTION |
|--------|-------------|------------------------------|--|
| 102260 | | Louck Mill Trail Connector | Trail Connector at US 30 Bridge over Codorus Creek and Trail Head/Parking Lot for the Heritage Rail Trail. This project will construct a ramp from the Heritage Rail Trail trailhead and parking lot on the east bank of the Codorus Creek (adjacent to Loucks Mill Road) to the US 30 bridge over the Codorus Creek. By providing this ramp as a separated connection to the US 30 bridge, which also has a separated lane for cyclists and pedestrians, this project connects the Heritage Rail Trail on the east bank of the Codorus Creek to the trail's continuation south on the west bank of the creek. The project also includes approximately 2,400 feet of trail from the Willis Run bridge either on or adjacent to an internal access road through the York City School District Property. The project will end at the intersection of N. George St. (S.R. 3065) and Hamilton Ave. |
| 105013 | | Heritage Trl N Ext Ph 4 | This project consists of the enhancement to the 2030 Bicycle Network on West Philadelphia Street to North George Street (SR3065) at Hamilton Avenue in the City of York, York County. |
| 105360 | 462 | PA462/PA24 Resurface | Resurface PA 24 (Edgewood Road) from Carol Avenue to PA 462 (East Market Street) and PA 462 (East Market Street) from Hallam Borough Line to SR 2011 (Cool Creek Road) in Hellam and Springettsbury Townships and Hallam and Wrightsville Borough. No Additional Lanes. |
| 106290 | | MA & PA Community Greenway | The project is an extension of the existing MA and PA Community Greenway from the Red Lion Borough municipal line .7 miles through York Township to Locust Street (in York Township). The greenway facility provides an off-road transportation alternative for pedestrians and bicyclists. |
| 106553 | 7229 | Detters Mill Road Bridge | This project consists of the bridge repair/replacement on Detters Mill Road over Tributary to Conewago Creek in Warrington Township, York County. |
| 110480 | 462 | PA462 and PA624 Intersection | This project consists of an intersection improvement (roundabout) at SR 462 with SR 624 (Hellam Street), North and South Second Streets in Wrightsville Borough, York County. Also includes bike/pedestrian connection from the bridge/intersection to the river park and trail. |
| 111023 | 7219 | Grantham Bridge Replacement | This project consists of a bridge replacement on North Grantham Road over Yellow Breeches Creek in Monaghan Township, York County. |
| 111397 | | King Street Cycle Track | This project consists of the construction on a two-way cycle track on King Street between Penn Street and Tremont Street in York City, York County. |

| MPMS | STATE ROUTE | PROJECT TITLE | PROJECT DESCRIPTION |
|---------------|--------------------|------------------------------|--|
| 113518 | 7202 | Gipe Rd Bridge | This project consists of the replacement of a bridge on Gipe Road over Otter Creek in Chanceford Township, York County. |
| 114208 | 124 | E Prospect Rd Improvement | This project may consist of work at the intersection at East Prospect Rd (PA 124) and Freysville Rd (SR 2001) in Windsor Township, York County. The project will be evaluated for signal improvements, reconfiguration and a potential roundabout. |
| 116001 | 921 | Canal and Bull Rd | This project consists of reducing the congestion evaluating the installation of a traffic signal and a roundabout at the intersection of E Canal Road (SR 0921) and Bull Road (SR 4001) in Conewago and Dover Townships, York County. |
| 116002 | 616 | Main and E George St | This project consists of reducing the congestion evaluating the installation of a traffic signal and a roundabout at the intersection of Main Street (SR 616) and E George Street (SR 3042) in New Salem Borough, York County |
| 116003 | 8019 | Exit 24 SB Off Ramp Widening | This project consists of reducing congestion evaluating the widening of the SB off Ramp to extend a separate right turn lane on the southbound ramp of I-83 Exit 24 in Manchester Township, York County. |
| 116004 | 238 | Church/ Trail WB Widen | This project consists of reducing congestion extending the right turn lane for WB Church Road at the intersection of Church Rd (PA 238) and N Susquehanna Trl (SR 4005) in Manchester Township, York County. |
| 116009 | 83 | I-83 CCTV Gap | This project consists of installing CCTV and DMS on I-83 in York County. |
| 116142 | 194 | Broadway Street X-ing | This project consists of relocation of CSX DOT#832109N at the Broadway St (SR 194) railroad crossing, where York Railway Company and CSX Transportation cross in Hanover Borough, York County. |
