2019 YORK COUNTY DIRECTORY OF PUBLIC OFFICIALS
York County at a glance…

York County is comprised of 911 square miles and the County’s landscape is varied. The City of York and its environs, along with other established growth areas throughout the County, are areas in which development is well suited. The County’s rich agricultural history continues in the rural areas today. The County’s natural resources and open space are protected.

The York County Heritage Program has designated 43 heritage resources to highlight the County’s historic, cultural and natural features. There are 94 districts, buildings, and sites on the National Register of Historic Places.

As shown, the population of York County has increased steadily. With an average increase of 12% per decade, it has outpaced the growth of the State.

In 2015, 5.8% of the population was under the age of 5 years and 15.4% was over the age of 65 years. The median age is 40.7 years. Approximately 89% of the total population is White and 6.4% are Hispanic.

There are approximately 238,000 persons in the workforce. There are 30,435 companies in York County. Among the top employers are York Hospital, the Federal and County governments, Wal-Mart Associates, Giant Food Stores, and WellSpan.

The median household income is $58,269. 10.7% of individuals are below poverty.

There are 2,171 farms comprised of 262,062 acres. The market value of agricultural products sold in York County is $234 million.

There are 16 public school districts in York County. There are 68,860 students (K-12) enrolled in public school.
